**NOAH'S ARK**

**FOR AGES 1-6**

Noah was a good man who loved God. One day, God talked to Noah. God said a big flood was coming to clean the earth because there was too much badness. God told Noah to build a big boat, called an Ark, to save his family and the animals. Noah listened to God because he trusted Him.

Noah started building the big wooden Ark. He used lots of wood to make it strong. God told him exactly how to build it so it would be safe in the water. Noah worked hard every day to make the Ark just right.

Noah finished building the giant wooden Ark. When it was ready, all kinds of animals came to the Ark. There were big animals and small animals. They came in pairs, two of each kind. Noah helped them all get on the Ark so they would be safe. They set out to sea.

After Noah and the animals were safe on the Ark, it started to rain. It rained a lot, for 40 days and 40 nights. The rain filled up the earth with water. The Ark floated on the water, keeping everyone safe inside.

After the flood, the rain stopped and the sun came out. God put a beautiful rainbow in the sky. The rainbow was a promise from God. He promised Noah that He would never send a flood to cover the whole earth again. Noah and everyone saw the rainbow and felt happy.
